THE ULTIMATE BRITISH SPORTSCAR

Visit the stunning Sportscar Range from Marcos

Come and see for the very first time at Broadgate, from the 23rd to 25th June, the range from Marcos, one of Britain's few remaining specialist sportscar companies. With 0 - 100mph figures in under 10 seconds, the outstanding and exclusive Marcos Sportscar range, must be the fastest British cars currently in manufacture.

The ultimate, high performance sportscar - all cars are hand built to order and tailored to the individual customer's needs. Marcos have options to suit everyone, including the race driver, with the GT2 LM500/600 and the Marcos Mantis Challenge Race Car.

Test your racing skills with the **MARCOS SCALEXTRIC**

In addition to the stunning cars, help raise money for the British Racing Drivers Marshalls Club by taking part in our very own Marcos Scalextric Slot Car Challenge. Prizes include a Marcos Sportscar of your own for a weekend for the fastest lap! All for an entry fee of £5, which will give you a start line position on the 100 feet, four lane, computerised track, which will be fully marshalled.

For further details, please contact Sharon Hancock, Head of Marketing, Marcos Sales Ltd, 153 West Wiltshire Trading Estate, Westbury, Wiltshire BA13 4JN. Telephone: 01373 864097 or Fax: 01373 858052.
